Report of Rayat Inspire Project Students Camp-2018-2019  
(Winter Camp for 7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> Standard Students)

Rayat Shikshan Sanstha runs different activity for the students in College from 26<sup>th</sup> November 2018 to 30th November 2018 by Rayat Research Centre. Rayat Inspire Prakaral (Camp) was organized for 7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> standard Students to develop the research attitude, to develop the research oriented skills among the students. To create analytical thinking power as well as to nourish their minds with new ideas.

This Camp was inaugurated by Dr. Amarnath Nivurti Jagdale, Head of the PG and UG Department of Chemistry, Associate Professor in Inorganic Chemistry, R.B.N.B. College, Shrirampur, Dist-Ahmednagar. He delivered the lecture on "Scientific View". He inspired the students by giving examples of great scientists with their invention and how the students can make simple easy to handle, ecofriendly less hazardous, last but not the least it should be useful for the society. He appeals the students to become the scientists in the future.

Honorable Incharge Principal Dr. Gadhe D.P. was the chairperson of the camp inaugural function. He expressed need of keeping scientific view to develop the innovative working models which will useful for the society. He told about the patent how student get the patent? He explains by giving the number of examples. The student was motivated by his speech. He appreciated the programme. Professor Shete S. T., Head of the physics department and science faculty Incharge was present for this function. Professor Belge S.A., Head of the electronic department and Dr. Kanade, Head of the Hindi department, Dr. Mrs. Gadhe S. D., Associate professor in Marathi, Head of the Marathi department, Professor Choudhari C. H., Assistant professor in Organic Chemistry and coordinator of the Rayat inspire Project Shri. Vasave A. S. Sharada madhyamik vidyalaya, Rahata, Were present for this function. There were 30 students and one Teacher (Shri Vasave A. S.) present for this function.

For this five days camp expert teachers lecture, were arranged prof. Miss B. R. Tambe guided students how to make simple working model for the science exhibition. She also explained how to represent your working model in the science exhibition which was useful for the society.

Dr. Mrs. Pratibha vitthal Rndhavane Assistant professor in Organic Chemistry, Department of Chemistry, Department Of Chemistry, Guided the students in very simple lucid language. She explained chemistry in everyday life. She showed some of the project on power presentation. How to recognize pesticide of vegetable and fruits. She also explained how to know difference between synthetic milk and original milk. Students got inspired by her lecture.

Shri. N. K. Shinde (Head, Junior Chemistry Department) showed some models. Students can convert these models into working models. Students got great inspired by his lectures so that innovative idea can be develop in the minds of students.

  
Principal  
S.S.G.M.College  
Kopargaon

All the students and teacher of the respective school visited various departmental laboratories and teachers from the corresponding department told them information regarding experiments in each laboratory, specimen's, models, Charts, different instruments and their functions and uses.

All the participated students in the camp completed their working model in the group and submitted to coordinator **Rayat Inspire Project**. For this special guidance from the F.Y. B.Sc. project students and facilities provided all the head of the department and the committee members and all science faculty members of all the department of teaching and non teaching staff.

Shri C. D. Shinde, JVM Kanhur Pathar, Tal Parner, Dist-Ahmednagar visited the Camp on 29<sup>th</sup> Nov-2018. He is the co-ordinator of the Rayat Inspire Project of North region. He expressed satisfaction about the camp and and discussed about some other related points. He interacted with students and seen all the working model made by these students within these days. He taken a schedule of camp and also suggested to send the camp report on 2<sup>nd</sup> December 2018.

The List of working models are given here-

- |                           |  |
|---------------------------|--|
| 1. Li-Fi (light-fidelity) | 6. Sewage Water Treatment Plant        |
| 2. Sound Visualizer       | 7. Waste Water Treatment Plant         |
| 3. Automatic Street Light | 8. Kinetic & Energy & Sunlight Vehicle |
| 4. Water Alarm            | 9. Floating oil Collecting Process     |
| 5. Steam Power            |  |

The closing ceremony of this camp was celebrated on 30 November 2018. This function was presided by Incharge Principal Dr. Gadhe D. P., S.S.G.M. College, Kopargaon and the chief guest was Principal Dr. G. K. Kulkarni SND College, Yeola Dist. Nashik. On this occasion Dr. G. K. Kulkarni appeal to the students how to become a good scientist and how to develop the research attitude and Principal Dr. Gadhe guided students how to find innovative ideas and gave information about various research scholarship, Programmes which are very helpful for students to become scientist and researcher in future. Two these representative students share their experience about the five days camp. The entire senior science teaching faculty was present for this programme. Dr. N. M. Chavhan introduces the programme and Professor Miss. V. J. Ushir expressed a vote of thanks. Prof. Miss. B.R. Tambe anchoring of this function.

We got valuable guidance of Hon. Principal Dr. Gadhe D.P. to organize such a beautiful camp.
