Clarification for Extended ID 2.2

Number of teaching staff / full time teachers year wise during the last five years

As suggested by DVV, we had submitted the year wise list of all full-time teachers indicating the name of the department, joining date (DD/MM/YYYY) and leaving date (DD/MM/YYYY) along with appointment orders as a supporting document.

As we were checking at the status of DVV clarifications, we noticed that the number of teachers considered for the academic year 2021-2022 is only 20 teachers compared to 112 teachers working as full time. This includes government approved posts and the management approved posts. As recommended, we have not included the librarian and physical education staff in the list.

We are herewith attaching the appointment orders of 112 full time teachers once again for your consideration.

We humbly request you to consider and update the inputs.
