## Clarification for Metric No. 3.1.1

**Grants received from Government and non-governmental agencies for research projects / endowments in the institution during the last five years (INR in Lakhs)**

3.1.1.1: Total Grants from Government and non-governmental agencies for research projects / endowments in the institution during the last five years (INR in Lakhs)

As per the suggestions given by DVV, we are herewith providing details on all the projects indicating S.No, Title of the project, amount of the project (INR in lakhs), project duration, investigator name, awarding agency name, status.

Herewith we also declare and inform that the grants in the form of equipments/software/skill development centre are not included.

HEI is continuously enhancing the standard of research through its policy. College Development Committee has unanimously decided to promote and provide financial support to enhance the research culture. There is a shrinking for the release of research grants from the funding agencies and Government. Therefore, very few teachers are getting the benefit of research grants in this cycle. Parallely, the HEI has proactively initiated to provide financial assistance and other research facilities from its own funds under the separate budget head of "Seed Money".

Therefore, we kindly request you to consider the proactive approach of HEI in the promotion of research by providing seed money of Rs. 5.0 lakh in the academic year 2021-2022.

We humbly request you to consider and validate the inputs.
