Sports infrastructure for community Health

The college has a campus of nearly 22.5 acres and has very good sports infrastructure facilities. The optimum utilization of sport infrastructure is thought to be achieved through a social cause and hence our college, in consultation with management, has decided to utilize our resources through a distinct activity named as “Sports Infrastructure for Community Health”. The activity was initiated with an objective to provide sports infrastructure to different stakeholders and the local community. This will help to boost the mind set and create health awareness for better quality life. The activity will foster and promote cordial relationship among the stakeholders. The college not only allows utilization of sports infrastructure but also organizes workshops on physiotherapy, mental health and nutrition for senior citizens. Nowadays when society is facing space problem and not having suitable infrastructure in the city, the activity has become an essential and add-on facility for local community. To help the senior citizens, to understand the minor health problems of the aged and help them lessen their pains and emotional stress, the college also conducts workshop on ‘Importance of health awareness for various age groups’ with special emphasis on the problems of old age and the ways to minimize them through proper guidance.

Programs for Senior citizens:

We know that though there is advancement in the medical science today, the life expectancy has been increasing resulting in the phenomenon of ‘population ageing’. This significant rise in the number of senior citizens and their proper health care and privileges for them are matters of great concern and challenge before us. By keeping this view in mind, the college has initiated this activity that can assist common people and contribute towards this noble task. The college provides infrastructure for such services which helps to create awareness of healthy living among the parents, teachers and students and stakeholders and the community in the vicinity. Need-based community health awareness programmes are planned through this activity. As a part of this practice non-formal classes of stakeholders, are conducted frequently by Physical director and supporting staff. This practice includes, discussion on healthy diet, food nutrient values, importance of walking, running, exercise, yoga, meditation, Surya Namaskar, specific

treatment on minor individual health problems and remedy such valuable practices are performed through this practice. 54 senior citizens and 37 middle age persons were provided with proper physiotherapy techniques for the relief from muscle problems. It has extended a helping hand to the aged citizens of the local and surrounding areas, and has also created a sense of responsibility and respect towards the aged people.

Infrastructure for Civil Service aspirants, local players and Covid-19 patients:

Our playground is made available to people for morning walk. Local players are given permission to play games like Volley-ball, baseball, cricket and football with a condition of maintaining discipline. Many of the civil service aspirants especially for MPSC (PSI) and Army recruitment use our 400 M running track for regular practice and workout. During Covid-19 pandemic girl's hostel of the college was converted as a COVID care center. Near about 1200 patients have got advantage of this facility. Gymnasium hall as well as and sport ground was also utilized by these patients.

Evidence of success is positive feedback from the community who has availed the facility. The alumni, faculty and the employees have always been benefited for maintaining their good health. The optimum utilization of sport infrastructure is done through this activity. This practice has certainly made a positive impact on the senior citizens and had also improved our enrollment ratio. The alumni, faculty and physical director have always been generous enough to support this activity. The college has extended this activity for students from NSS, NCC and others to realize their responsibility towards the senior citizens.

POLICY ON USE OF SPORTS INFRASTRUCTURE FOR COMMUNITY HEALTH

The college has a very good sports infrastructure and facilities. People living near college campus use playground for morning and evening walk. Army and police service aspirants are regularly using college playground for practice of physical examination. Some educational institutes have requested for organizing sports competitions while others for sports equipments. Thus people have requested for use of playground and other sports facilities. Hence Internal Quality Assurance Cell has decided to allow the use of sports facilities with consent from college development committee. It was decided to frame a policy for community health. The policy is as follows-

- After receiving the request letter from any educational institute and police department recruitment training academy the committee should give the permission to use playground.
- The youngsters preparing for police department and army recruitment should be allowed to use playground even on verbal request.
- The senior citizens from nearby residential area should be allowed to use playground for morning and evening walk on their verbal request.
- The use of volley ball ground should be allowed to players with some conditions.
- The entry register of playground users should be maintained regularly.

‘ज्येष्ठ नागरिकांचे आरोग्य’ या विषयावर कार्यशाळा

शुक्रवार, दि. १/०४/२०२२

वेळ : सकाळी १०.०० वाजता

सुजाण नागरिकहो.....

आरोग्य म्हणजे स्थूल मानाने शारीरिक, मानसिक, सामाजिक संतुलनाची स्थिती होय. आरोग्यास असंतुलन निर्माण झाल्यास रोग जडतात. यासाठी निरोगी शरीर ही सुखी जीवनाची गुरुकिल्ली मानली जाते. आजच्या स्पर्धेच्या, ताणतणावाच्या आणि प्रदूषणयुक्त जगात आत्मविश्वासाने आगेकूच करायची असेल तर निरोगी शरीर ही गरज बनली आहे.

प्रत्येक व्यक्तीला आपले शरीर प्रमाणबद्ध आकाराचे, सुडील व वेदनारहित असावे असे नेहमीच वाटत असते. आरोग्यविषयक प्रश्न गंभीर बनत चाललेल्या आजच्या वातावरणात ज्येष्ठ नागरिकांना या गोष्टीचे महत्व प्रकर्षाने जाणवते. वयोमानानुसार स्नायू व सांध्यातील ताठरता, स्नायूंची ताकद कमी होणे यामुळे साध्या साध्या हालचाली करणे देखील त्यांना कष्टप्रद होते. यावेळी ज्येष्ठांना व्यायाम करण्याचा सल्ला दिला जातो. पण या परिस्थितीत व वयात योग्य व्यायामाचे ज्ञान असणे आवश्यक आहे. हे शास्त्रशुद्ध ज्ञान या कार्यशाळेत आपणास नक्की मिळणार आहे. तरी कोपरगाव परिसरातील ज्येष्ठ नागरिकांनी या संधीचा लाभ घ्यावा.

कार्यशाळेत खालील बाबींची प्रात्यक्षिकासह विनामुल्य माहिती दिली जाणार आहे.

- स्कॉट मोबिलिटी व जॉईंट मोबिलिटी
- शरीराची अलाईनमेंट
- शास्त्रशुद्ध व्यायाम do's and don't's
- साठी नंतरच्या व्यायामांची इतर माहिती

'निरोगी शरीरात निरोगी मन'

दि. २९/११/२०१७

वेळ : सकाळी ०९.०० वाजता

निरोगी राहणं ही एक कला आहे जी आजकाल लोप पावत चालली आहे. आपण आजारी पडलो की लगेच डॉक्टरांकडे जातो आणि गोळ्या औषधे घेऊन बरे होतो. निरोगी राहणे म्हणजे आजारी न पडणे. निरोगी माणसं सहसा सारखी आजारी पडत नाहीत. त्यांचं शरीर आणि मन दोन्ही सुदृढ असतं. त्यामुळे आपल्या जीवनात उत्तम आरोग्याचे महत्व काय आहे हे आम्ही तुम्हाला या कार्यशाळेत सांगणार आहोत. इतकंच नाही तर रोजच्या धावपळीच्या आयुष्यातही आपण आपले आरोग्य उत्तम कसे राखू शकतो हेदेखील आम्ही आपणास शिकवणार आहोत.
