Add some topics in field of Information Technology in curriculum

Get a extra activities

- 1) Make it a two-way conversation.
- 2)exchanged by employees (formally or informally) regarding their performance, skills, or ability to work within a team.best work for employee.
- 3)Both supervisors and peers may deliver feedback, and when done tactfully, the process can create a stronger, more harmonious workplace to employee.

Ok

The skills-oriented course must be extended.

CHB's job Continuity is needed. Don't give a big break to them .

Just in today cbcs pattern they are providing results in only cgpa Or sgpa they should also include percentage in their result
