Best Practice Report: Teacher at your door 2021-22

The teachers of our department have visited the student's home and interacted with U G and P G students with their parents. During this interaction teachers have informed the parents about the academic performance of their ward and facilities provided by college. The parents have discussed about the problems encountered by their ward while learning. As per the parent's opinion, the teacher's interaction with them will be helpful for student's all-round development. Teachers and parents also discussed about the placements of M. Sc. II year students. Teachers guided T. Y. B. Sc. students about their P G admissions and the university entrance examination for M. Sc. admission. All the parents have cooperated for the meeting and they have participated with enthusiasm and eager.

Hon. Prin. Dr. R. R. Sanap gave us valuable suggestions and guidance to conduct this activity.

Outcome of the activity:

1. There is a more demand for admission in T. Y. B. Sc. Chemistry. 114 students have taken the admission for the academic year 2021-22.
2. The admissions for M. Sc. are full in this year also.
3. The interaction with parents helps in the placement of M. Sc. Students by off campus or on campus interview.
4. 08 students from M. Sc. II Organic Chemistry have been selected in campus interview of Dev Synthesis, Hyderabad. The point to be highlighted that among 08 students 06 are girls and because of the interaction of with teachers parents were ready to send these girls away from native place for the job.

Best Practice Report: Teacher at your door (2020-21)

Because of Covid-19 pandemic, we are unable to visit students home physically to meet their parents under Teacher at Your Door Practice. But the way towards excellence did not stopped by the pandemic situation. Our **Hon. Prin. Dr. S. R. Thopate** suggested to interact by online video call with the parents. So the faculty members of our department have interacted with U G and P G students and their parents by online mode. We have arranged a video call of Google Meet. Each faculty member has made the video call to five students and their parents. During this interaction teachers have informed the parents about the academic performance of their ward and facilities provided by college. The parents have discussed about the problems encountered by online teaching. As per the parents opinion, offline teaching is far best than online teaching. They have said that student's all-round development is only possible by learning in college campus. Teachers and parents also discussed about the placements of M. Sc. II year students. Teacher guided T. Y. B. Sc. students regarding their P G admissions. All the parents have cooperated for the meeting and they have participated with enthusiasm and eager.

Hon. Prin. Dr. S. R. Thopate gave us valuable suggestions and guidance to conduct this activity by online method during the worldwide Covid-19 pandemic.

Best Practice Report: Teacher at your door (2019-20)

Faculty members of our department have visited U G and P G student's home under the best practice of our college 'Teacher at your door', during the academic year 2019-20. Preferentially we have visited girl students home which helps to decrease the dropout rate of girls. During this visit teachers have informed the parents about the academic performance of their ward and facilities provided by college. They have discussed about the difficulties of students and find the solution to overcome it. All the parents have cooperated for the meeting and they have participated with enthusiasm and eager.

Best Practice Report: Teacher at your door

Faculty members of our department have visited U G and P G student's home under the best practice of our college 'Teacher at your door', during the academic year 2018-19. During this visit teachers have informed the parents about the academic performance of their ward and facilities provided by college. They have discussed about the difficulties of students and find the solution to overcome it. Teachers have guided about placements of M. Sc. II year students. All the parents have cooperated for the meeting and they have participated with enthusiasm and eager.

Outcome:

- The admissions of T. Y. B. Sc. And M. Sc. (Organic & Analytical) are full.
- More than 80% students of M. Sc. Organic Chemistry are placed in different pharma industries.

Best Practice Report: Teacher at your Door (2017-18)

Majority of students are from rural area and their parents are illiterate. They are unaware about the progress of their pupil. They are unable to take decisions about the higher education of their ward. Hence the teachers visit their homes after working hours of on holidays. All the parents humbly welcome the teachers. The teachers interact with the family members and show them the academic performance of student. They also give the information about various facilities provided by college, various scholarship schemes, earn and learn scheme, different competitions to participate, higher education facilities and career opportunities in future. The time to time information is given to the parents. Students perform better when their parents are involved.

Outcome: 1) Improvement in students' academic performance.

2) Progression of girls to PG education is increasing.

TEACHER AT YOUR DOOR: 2018-19

The teachers of our department have visited the student's home and interacted with UG and PG students with their parents. During this interaction teachers have informed the parents about the academic performance of their ward and facilities provided by college. The parents have discussed about the problems encountered by their ward while learning. As per the parent's opinion, the teacher interaction with them helpful for student's all-round development. TEACHER AT YOUR DOOR: 2017-18

The teachers of our department have visited the student's home and interacted with UG and PG students with their parents. During this interaction teachers have informed the parents about the academic performance of their ward and facilities provided by college. The parents have discussed about the problems encountered by their ward while learning. As per the parent's opinion, the teacher interaction with them helpful for student's all-round development. Teachers guided T.Y.B.A. student's about their PG admissions and the university entrance examination for M.A./M.Sc. admission. All parents have cooperated for the meeting and they have participated enthusiasm and egar.

DEPARTMENT OF GEOGRAPHY

TEACHER AT YOUR DOOR: 2019-20

The teachers of our department have visited the student's home and interacted with UG and PG students with their parents. During this interaction teachers have informed the parents about the academic performance of their ward and facilities provided by college. The parents have discussed about the problems encountered by their ward while learning. As per the parent's opinion, the teacher interaction with them helpful for student's all-round development. Teachers guided T.Y.B.A. student's about their PG admissions and the university entrance examination for M.A./M.Sc. admission. All parents have cooperated for the meeting and they have participated enthusiasm and egar.
