1. Motto:

“Education through self-help”

Vision:

To generate academic, scientific temper, physical, spiritual, social and cultural values among the students and to make them self-reliant through self-help to be responsible citizens of the world.

Mission:

To impart higher education with multifaceted aspects, excelling the human resources in broader perspectives of national and global context.

Quality Objectives:

- To provide higher educational opportunities, primarily to the lower classes through the policy: education at their doors.
- To generate academically, physically, spiritually and sound motivated graduates with awareness of importance of national integration and social responsibilities.
- To develop the overall personality of the student.
- To impart education through self-help and dignity of labour.
- To promote women's education.
- To promote a healthy atmosphere, corporate life and welfare of the students, teaching and non-teaching staff.

2. About the Rayat Shikshan Sanstha Satara:

The Rayat Shikshan Sanstha, founded by Late Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919, is one of the leading and largest educational institutions in Asia. Its main objective is to provide education to the downtrodden, the poor and the ignorant, which is the major bulk of society, irrespective of caste, creed and religion with a motto “Education through Self-Help” to inculcate the dignity of labour among the students along with the social, spiritual, cultural and human values. Karmaveer Bhaurao Patil was visionary and realized the dire need of education who devoted his life to the cause of education of masses. He believed in education as a means to eradicate the social ills such as illiteracy, untouchability, caste hierarchy, money lending, superstitions, social and economic inequality, all his life, he tried to translate this belief into reality. Rayat Shikshan Sanstha, since its establishment, started 739 institutions including schools, junior and senior colleges usually in remote, rural and tribal areas for the education of downtrodden and children deprived of education, which was neglected by the then educationists.

3. About the College:

Shri Sadguru Gangageer Maharaj Science, Gautam Arts and Sanjivani Commerce College is one of the 42 senior colleges established by Rayat Shikshan Sanstha in 1965. On 1st June 1965 Karmaveer Shankarrao Kale and Sakhar Maharshi Shankarrao Kolhe, along with few others laid the foundation stone of the college. With its affiliation to the Savitribai Phule Pune University, Pune College started functioning just with 34 students on roll with science faculty and is now grown like a banyan tree. The college is recognized under section 2(f) on 10th July 1989 by UGC and with a Grant-in-aid by Government of Maharashtra. The college aims at training students from weaker sections of the society to be leaders in all walks of life and serve the society. The beneficiaries are from socio-economically backward classes, poor farmers' children, and labour family children. The college is sponsored by Department of Science and Technology (DST) under FIST program in 2006 and 2014. The affiliating university has awarded us with a "Best College Award" for the year 2007. Our parent institute has also awarded our college with various awards. College is accredited with A++ grade in 4th cycle. The college runs 16 UG (Arts, Commerce, Science, Management and Computer Science), 11 PG and 02 research programs. It serves multi-dimensionally in the field of higher education. The college is working and functioning with the same vision and mission statements as of parent institute.

4. From the Principal's Desk:

I am delighted to welcome you to Rayat Shikshan Sanstha's Shri Sadguru Gangageer Maharaj Science, Gautam Arts and Sanjivani Commerce College, Kopargaon. Popularly known as SSGM College, established in June 1965, is affiliated to Savitribai Phule Pune University, Pune with consistent academic growth. This renowned Sanstha, founded by Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919, is imparting quality education to all the masses of the society. The institution is spread over 22.5 acres of lush green land.

Education is both training of mind and soul. It should give both knowledge and wisdom. So we aim to foster global competencies, life skills, scientific temper, technical skills and inculcate moral values among students. We take care to ensure that teaching learning techniques, pedagogic practices and academic mentoring incorporate the best practices in student satisfaction. The college was accredited with 'B+' grade CGPA 75.10 by NAAC in 2003. It has been re-accredited with 'B' grade CGPA 2.61 in 2009, 'B++' grade CGPA 2.82 in 2017 and recently with A++ grade CGPA 3.69. This will certainly encourage us to undertake new and innovative activities for the benefit of our students.

At present, the Institute offers programmes from 11th standard to Ph.D. We have 16 undergraduate, 11 Postgraduate and two Ph.D. research Programmes in Chemistry and Botany. In addition to the traditional B.A., B. Com., B.Sc. and B.Sc. Computer Science we run professional courses such as Bachelor of Business Administration, and career oriented courses. To prepare the students to face the global employability challenges, the institute conducts 25 Short term certificate courses. In order to avail facility for the students who could not get regular education due to different reasons our College also runs Centre of Yashavantrao Chavan Maharashtra Open University (YCMOU) since 1992.

There is a separate well-furnished building for Junior College with well-equipped laboratories. Along with Arts, Science and Commerce, we impart education of HSVC in Electrical, Electronic and Construction Technology. Through Science stream we have Bi-focal Electronics as an optional subject which caters career options in Architecture and Bio-Tech Agriculture. We are proud of having good academic record and renowned alumni.

We believe that learning beyond classroom is equally important as the classroom interaction. Likewise, students are motivated to participate in various co-curricular, extra-curricular activities. To achieve the holistic development of the students from diverse background, the Institute organizes activities such as Avishkar Research Competition and

Poster/ Wallpaper presentation. We channelize student force through NCC, NSS and Competitive Examination Cell and 'Earn while You Learn Scheme'.

Without teamwork no institution can prosper. Rayat is the name of unity in diversity where all work together for the implanting vision of the founder. In order to enlarge the mental horizons of students, we have highly motivated and qualified faculty members who constantly seek to upgrade their teaching methods. The office staff also strives to provide the atmosphere of efficiency and cordiality to the students who are the future force of the nation.

I acknowledge the support, guidance and cooperation of the Management, parents, alumni, teaching staff, non-teaching staff, office bearers and students in the advancement of the Institution.

I look forward to welcome you and wishing you an unforgettable enriching experience with us.

Regards,

Dr. M. T. Sarode

6. Internal Quality Assurance Cell (IQAC)

Establishment of IQAC: 30/06/2004

Introduction:

In pursuance of its action plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC) proposes that accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards the realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends on the sense of belongingness and participation it can inculcate in all the constituents of the institution. It will be a facilitative and participative voluntary unit of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality.

Objectives:

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through the internalization of quality culture and institutionalization of best practices.

Strategies:

IQAC shall evolve mechanisms and procedures for

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- The relevance and quality of academic and research programmes;
- Equitable access to and affordability of academic programmes for various sections of society;
- Optimization and integration of modern methods of teaching and learning;

- The credibility of evaluation procedures;
- Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- Sharing of research findings and networking with other institutions in India and abroad.

Functions:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- Dissemination of information on various quality parameters of higher education;
- Organization of inter and intra-institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes/activities leading to quality improvement;
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- Development of Quality Culture in the institution;
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

Benefits:

- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
- Ensure internalization of the quality culture;
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- Provide a sound basis for decision-making to improve institutional functioning;
- Act as a dynamic system for quality changes in HEIs;
- Build an organized methodology of documentation and internal communication.

7. National Education Policy 2020:

Highlighting the importance of flexible learning, National Education Policy 2020 states that imaginative and flexible curricular structures will enable creative combinations of disciplines for study and would offer multiple entry and multiple exit (MEME) options and thus, remove the currently prevalent rigid boundaries. These would create new opportunities for students to choose and learn the subjects of their choice while changing the HEIs as per their preference, convenience or necessity. In order to pave the way for seamless student mobility, the NEP 2020 envisages adjustments in the structures and lengths of degree programmes. Academic Bank of Credits (ABC) ensures seamless student mobility between or within degree-granting HEIs through a formal system of credit recognition, credit accumulation, credit transfers, and credit redemption to promote distributed and flexible teaching-learning. To take this forward, NEP 2020 promotes rigorous research-based specializations and opportunities for multidisciplinary education, at the Graduate, Master's and Doctoral level programmes in HEIs.

To reach to the design of holistic and multidisciplinary programmes as anticipated in NEP 2020, HEIs require some time to streamline it in higher education in India. As stated above, as per their universities and colleges preference, convenience or necessity, ideal multidisciplinary programmes may come into existence in future. However, existing undergraduate programmes may be converted into a new framework having multiple entries and multiple exit options and with additions of Skill Enhancement Courses in credit system. The continuous comprehensive evaluation is also a requirement for proper mapping of learning outcomes, course outcomes and programme outcomes as our system is based on principles of outcome based education. Hence, the university will continue its choice based credit system for quality based evaluation programmes. In the light of NEP 2020, HEIs can provide the courses as per tune preference, convenience or necessity for the students.

1) Title:

The Regulations Governing the Choice Based Credit System with Multiple Entry and Multiple Exit Option.

2) Scope:

These regulations are applicable to the undergraduate and Post Graduate Degree Programmes being offered in affiliated colleges, excluding autonomous colleges / instituted and in university departments.

3) Commencement:

These Regulations in accordance with National Education Policy 2020 shall come from this Academic Year onwards. These regulations shall be implemented from academic year.

4) NEP Implementation in First Phase:

The credit and curricular framework is to be made applicable, in the first phase, to the following programmes (other than those regulated by AICTE, PCI, BCI, CoA, NCTE etc.) with effect from this Academic Year:

UG: B.A., B.Sc., B.Com., BBA, B.Sc. (CS) and all Non-AICTE Professional UG Degree Programs.

PG: M.A., M.Sc., M.Com. and all Non-AICTE Professional PG Degree Programs.

5) Credit Framework under Three / Four Years UG Programmes with Multiple Entry and Multiple Exit options:

The structure of the Three / Four-year bachelor's degree programme allows the opportunity to the students to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per their choices and the feasibility of exploring learning in different institutions. The minimum and maximum credit structure for different levels under the Three / Four year UG Programme with multiple entry and multiple exit options are as given below:

Credit Framework:

Levels	Qualification Title	Credit Requirements		Semester	Year
		Minimum	Maximum		
4.5	Certificate	40	44	2	1
5.0	UG Diploma	80	88	4	2
5.5	Three Year Bachelor's Degree	120	132	6	3
6.0	Bachelor's Degree Honors Or Bachelor's Degree Honors with Research	160	176	8	4

- c. For Semester End Examination, question papers will be set for Seventy Percent of the Total Marks allotted for the course. The University will conduct this Examination.

EXAMINATION PATTERN FOR FACULTY OF SCIENCE AND TECHNOLOGY

Assessment Methods

The primary objective of assessment will be to assess the learning outcomes of the course in tune with the broad outcomes of strengthening core theoretical knowledge base, practical laboratory skills, and research. Assessment will be based on continuous evaluation (MCQs, Short Questions (SQ), Class Test (CT), Seminar, Presentation (PPT), Group Discussion (GD), Quiz, Assignment, Tutorials, etc.) and end of semester examination of Savitribai Phule Pune University, Pune.

(i) Internal Assessment or Continuous Evaluation:

During a semester, students' mastery of the various learning outcomes as described in the syllabus will be assessed through MCQs, Short Questions (SQ), Class Test (CT), Seminar, Presentation (PPT), Group Discussion (GD), Quiz, Assignment, Tutorials, etc. Each theory paper and practical paper will have 15 marks for internal assessment. The critical analysis of internal assessment or continuous evaluation outcomes will provide opportunities to improve the teaching-learning process by focusing on the areas that need conceptual strengthening, laboratory exposure or design of new experiments, and research.

(i) End of Semester University Examinations:

The summative end-semester university examinations will be conducted for both theory and practical courses. Besides internal assessment, each theory paper and each practical paper will be of 35 marks for end of semester examination of the university.

Scheme of Examination

The total marks for a 2-credits course is 50.

- **Theory Paper of 02 Credits:**

- ❖ Internal Exam (15 M) + University Theory Exam (35 M) = Total 50 Marks.

- ❖ Duration: For Internal exam = 40 Min. and for University Exam = 02 hours.

- **Practical Paper of 2 Credits:**

- ❖ Internal Exam (15 M) + University Practical Exam (35 M) = Total 50 Marks.

- ❖ Duration: For Internal exam = 40 Min. and for University Exam = More than 04 hours.

Internal exam will be conducted by particular college/institutes at the end of each semester.

External exam will be conducted by Savitribai Phule Pune University, Pune at the end of each semester.

Note:

a) Each semester comprises of 15 weeks.

(12 weeks Actual Teaching + 3 weeks for Continuous Internal Evaluation).

(b) One Credit of the Theory is equal to 15 clock hours (Teaching 1 hour per week for each credit).

(12 hours Actual Teaching + 3 hours Continuous Internal Evaluation – Assignments, Tutorials, Practice, Problem solving sessions, Group discussion, Seminars and Unit Tests.)

b) One Credit of Practical = 30 clock hours (2 Contact hours per credit per week)

(24 hours' Actual Table work + 6 hours for journal competition, and Continuous Internal Evaluation of each practical)

c) Practical for each course comprises of 02 Credits = 60 clock hours.

- i. Minimum 12 laboratory/ Filed sessions of 04 clock hours must be conducted in one semester.
- ii. In case of short practical, two practical's should be conducted in one session.
- iii. Each practical of 04 clock hours in the laboratory should consist of table performance for concerned practical, careful observations, calculation, writing results and conclusion, and submission of practical in written form.
- iv. Pre-laboratory reading and post laboratory assignments should be given on each practical as a part of continuous internal evaluation.

Assessment of On-Job-Training (OJT) / Field Project (FP) / Project (PR) / CEP Course:

- a. Continuous assessment part (30% marks) (30 marks out of 100 **OR** 15 marks out of 50) of this course should be done by the mentor of the student, where student is supposed to complete his On-Job-Training. This should be based on the regularity, participation and performance of the students at the place of OJT/FP/CEP/PR.
- b. Semester End Assessment (70% marks) (70 marks out of 100 **OR** 35 marks out of 50) of this course should be done by a panel of examiners in two parts;
 - Based on the *work report submitted* by the student (50% marks), and
 - Remaining 50% marks should be based on his *presentation and viva-voce* on the work carried to be assessed by the panel of examiners.
 - This assessment shall be done along with *practical examinations* of respective courses / subjects.

Assessment of Co-Curricular Courses (CC):

- a. Assessment of the co-curricular course (CC) should be done by the respective course coordinator as a part of continuous assessment and be based on the regularity, performance of a student and his/her participation in various activities as prescribed in the regulations prepared in this regard.
- b. The End Semester Assessment of the co-curricular course (CC) should be done as per the regulations prepared in this regard. Assessment should be done on the basis of the write- up, presentation by the student on the activities that he/she has carried out in a semester.

रयते मधुनी नव्या युगाचा माणूस आता घडतो आहे
वटवृक्षाच्या विशालतेचा मोह नभाला पडतो आहे !! धृ!!

कर्मवीरांचे ज्ञानपीठ हे शक्तीपीठ ही ठरते आहे
शाहू - फुल्यांचे समानतेचे तत्व मानसी मुरते आहे
धर्म जातीच्या पार गांधीचे मूल्य मानवी जपतो आहे. II१II

गरीबांसाठी लेणी मोडून लक्ष्मी वाहिनी ठरली आई
कमवा आणि शिका मंत्र हा तरुणाईला प्रेरक होई
स्वावलंबी वृत्ती ठेवून ज्ञान साधना करतो आहे. II२II

दीन दलितांसाठी आण्णा तुमची झिजली चंदन काया
अनाथ जीवा सदा लाभली मातृहृदयी तुमची माया
शून्यामधल्या नवसृष्टीचा निर्मिक तोही ठरतो आहे. II३II

जीवनातला तिमिर जावा प्रबोधनाची पहाट व्हावी
इथे लाभले पंख लेवूनी उंच भरारी नभात घ्यावी
प्रतिभाशाली बहुजनांचा वेलू गगणी चढतो आहे. II४II
