Self-dependence under Personality Development was organized by the Department of Commerce at SSGM College. Lectures were conducted under the guidance of Principal D.D Aher ITI College Kopargaon.

Someone born great is great. But after birth, a person creates his own identity. Every person needs to be self-reliant in his life. The self-reliant person does not feel the need to depend on others.

If a person is independent then his strength doubles. If there is a crisis in a person then it is easily possible to evaluate the capacity of the person's intellect in the same period. The secret power comes out in time. If this secret power is not used, the secret power disappears. It provided valuable guidance.

The program was presided over by Hon'ble Principal KP Kakade. Dr. DP Gadhe introduced the program and introduced the guests. The vote of thanks was given by Prof. S.D. Shaikh. The students expressed satisfaction over the lecture which was attended by Sonawane and a large number of students.
