its good experience

Session should be interactive

Give more example practice, subject related information,and get your idea to achieve the success.

Do more practical

Teaching is good for teachers are covered all syllabus.

1-In our college all the practical instruments are available...so we can do with experience

2-the teacher staf is very good ...and also the good book we have

3-but the university is not confirmed about their examination timetable , that means when they conduct. soTeachers are assuming that the university conduct final papers in june so they start doing fast teaching...it is not teachers mistakes that they teaching fast , because they don't know about when university conduct our examsso if they know then they can teach slowly and we can understand perfectly....now we understand...but if the process is normally slowly then we can understand more than now.....and they end syllabus before one and half month of exam ...so we have remained one and half months to complete our syllabus but we go fastly and doing our remaining mistakes in our home .we fill like this is vacation.... normally half month for doing study is good it is my personal response respected sir or mam....I request you that is next when you will conduct exam then please at least tell our teachers when will you conduct exams then they can teach in their comfort and in mediun time.thank you
