Academic Year 2021-22

Department of Psychology

Academic Counseling

Report

Date: 04/04/2022

The Department of Psychology plays an important role for students to overcome various issues related to their academic performance. While studying, students are facing problems like lack of confidence, mental stress during examinations, negative feelings, sadness and distraction during learning in the classes.

The department counsels them to overcome these issues. The class teachers inform students about this facility so the needy students can contact the department. The benefitted students have given the feedback about their progress.

No. of students benefitted: 14
