Field work /Industrial visit report

As per the Savitribai Phule Pune University in the MA-II Geography course has under the subject of Gg: 332 Practical's in Economic Geography has mention that to give Visit to Industrial units are of which has to be Agro based Industrial Unit therefore me and our students given the visit to *Krushna Kamal Food's pvt. Ltd* in 03/10/2018 to understands how the manufacturing process of ice cream and allied activities' done *Krushna Kamal Food's* basically located in Kopergaon City area.

The aim of this visit is to observe how the agro based industries works. A field work or industrial visit is a journey by a group of students/Peoples to a place away from their normal environment. The purpose of the trip is usually observation for education, non-experimental research or to provide students with experiences outside their everyday activities, such as going camping with teachers and their classmates.

Importance of Industrial Visits for students:

- For students pursuing professional education (Marketing/Finance/Operations/Supply Chain etc.), industrial visits help them gain hands-on experience of how industry operations are executed.
- Industry visits bridge the gap between theoretical training and practical learning in a real-life environment.
- Industry visits provide opportunity for active/interactive learning experiences in-class as well outside the classroom environment.
- With industry visits, students are able to better identify their prospective areas of work in the overall organizational function.
- Industry visits help enhance interpersonal skills and communication techniques.
- Students become more aware of industry practices and regulations during industry visits.
