7.1.1 Measures initiated by the Institution for the promotion of gender equity

Gender Equity in regular practice

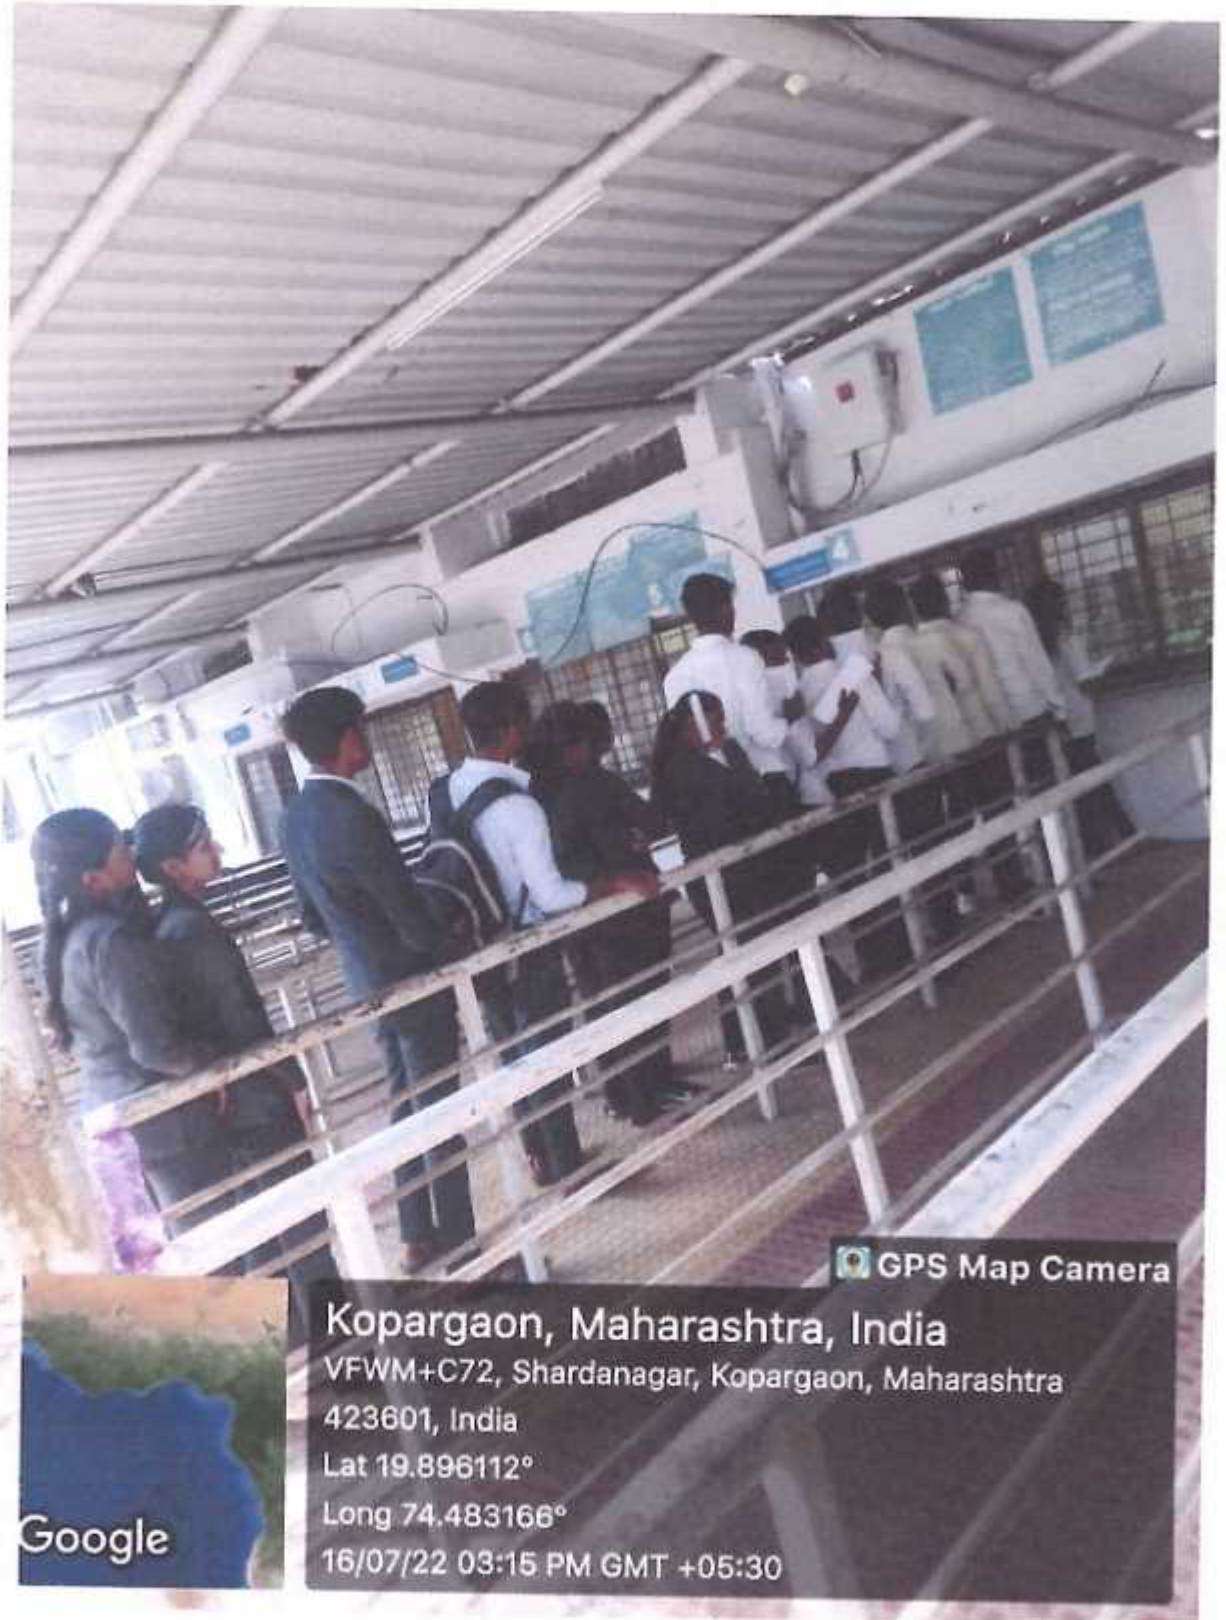

Our college has a culture of equal treatment and opportunities for both girls and boys. To imbibe the culture of equity we have maintained same platform wherever possible. Boys and girls are allowed to stay in same rows during administrative work. Common reading rooms are available in library. They work together in laboratories. There is a common sitting arrangement in college canteen. Students are encouraged to participate and work irrespective of their gender.
